Boao Forum for Asia and Cavendish Group International are delighted to present the Boao Forum for Asia, International Capital Conference in London - the first Boao Forum for Asia to be held outside of Asia. The conference will attract an unprecedented number of C-level Chinese delegates from a wide cross-section of the Chinese economy to the world’s largest financial centre. Dynamically focused, this forum will provide London-based financial services and related companies with a unique opportunity to communicate directly with senior decision makers and executives from leading Chinese companies. The conference will focus on the prominent issues of capital raising strategies and overseas mergers and acquisitions. Subjects will include private equity, IPOs and corporate bonds.

“The rapid growth of the Chinese economy and growing domestic competition has accelerated the process of Chinese companies’ globalisation. The recent active merger and acquisition cases have shown Chinese companies’ growing ambition to move beyond our home market,”

- Mr Long Yongtu, Secretary General, Boao Forum for Asia: former Minister of Commerce in China.
International Capital Conference

For more information please visit: www.bricfinance.com

Why should you attend?

- A three day strategic conference supported by the UK & China government with eminent keynote speeches from the world's leading authorities
- The largest gathering of C-level Executives from over 100 leading Chinese companies (Private and SOE)
- Sectors include Automotive, Oil & Gas, Pharmaceutical, Financial Services, Real Estate and Telecommunication
- Exclusive invites for selected companies (Limited delegate spaces)
- Unrivalled opportunity for delegates to network with the largest and most important group of Chinese business and government leaders looking specifically at raising capital and exploring M & A and Joint Venture opportunities
- Specific opportunity for the Private Equity industry to meet with interested Chinese parties
- Unlimited access for the full three days
- Opportunity to buy additional ticket to the banquet/gala dinner
- Hear the views of some of the world's leading politicians, bankers, corporate financiers, and other leading industry players as they discuss the international capital raising opportunities open to Chinese
Boao Forum for Asia

As a non-government, non-profit international organisation, Boao Forum for Asia is a prestigious forum for leaders in government, business and academia to share visions on the most pressing issues in this dynamic region and the world at large. The Forum is committed to promoting regional economic integration and bringing Asian countries even closer to their development goals.

The Venue

The International Capital Conference will be held at the prestigious Central Hall, Westminster, a historic building centrally positioned near the Westminster Abbey and the Houses of Parliament. In 1946, Central Hall was chosen to host the very first General Assembly of the newly formed United Nations.

The Organisers

Cavendish Group International Ltd is a leading business publisher and conference organiser, employing over 200 people in seven countries. Cavendish Group’s focus is to deliver business information to the fast-growing BRIC (Brazil, Russia, India and China) countries.

“Cavendish Group International is dedicated to bringing advanced industry knowledge and management experience into relevant industries in China through media and conference platforms”
