Webinar: Start-up Navigation through pandemic times – Best Practice

Many companies have been faced with major challenges during the last few months due to the coronavirus crisis such as dropping business activities, disruption of the supply chain, difficulties in fundraising, home office and travel bans.

Beside the general measures and support from the Swiss federal government and the different cantons, each Company had to take individual measures to navigate through the pandemic.

As part of this webinar, we will cover a general overview about the current status of restructuring and turnaround situation with a focus on the Venture Capital market in Switzerland followed by a panel-discussion with start-up entrepreneurs, which are prepared to share their “Lessons Learned”.

Speaker & Panelists:

- **Olga Motovilova**, Young SECA, Co-founder & CEO at inmodi (panel moderation)
- **Dimitri Nabatov**, Co-founder of advisor AG
- **Magali Neave**, Manager at Intralinks
- **Markus Riestler**, Founder & General Manager at midge medical GmbH
- **Jonathan Roberts**, Director & Co-Founder at Menalto Advisors
- **Cédric Vollmar**, Young SECA, Partner at Hitz & Partner Corporate Finance AG

Program:

- 12:30 Intralinks view on the Swiss market with Ms Magali Neave
- 12:40 Spotlight “Swiss Venture Capital Report 2021” with Mr Cédric Vollmar
