Young SECA talks about “How to invest with sustainable impact?”

Young SECA invites you to a networking event at the Resident Bar in the heart of Zurich. We will celebrate the end of summer and have a conversation on the topic of “How to invest with sustainable impact?” with a group of impact investors and thought leaders.

Agenda

- 18:15 – 19:00 Registration & Welcome
- 19:00 – 19:45 Couch talk with **Alessandro Braglia**, **Hilda Liswan**, **Amer Vohora** and **Elena Yurchenko** on “How to invest with sustainable impact?”
- 19:45 – 23:00 Networking Apéro

Fees: Free of charge for Young SECA members. Further participants CHF 50.

Language: English

Registration: www.seca.ch/events

About the speakers

- **Alessandro Braglia** – Philanthropist, tech enthusiast, VC and impact investor. He is Investment Manager at Sagana, working to unleash the potential of people, capital and business to create a better future for all, by investing in and growing companies that are successfully solving some of the biggest challenges of our time.
- **Hilda Liswan** – Social entrepreneur and inclusive innovation practitioner. Hilda is the founder of WeBloom, focused on mainstreaming gender-lens investing and scaling impact driven women led solutions with the goal of creating an equitable and impactful innovation ecosystem.
- **Amer Vohora** – Impact investor and among other things founder of Ikigai Ventures, a family office investing with purpose into businesses and funds that can make a significant impact in their sectors and act as a catalyst for change within their respective industries.
- **Elena Yurchenko** – Elena is an impact fund manager and a finance pro helping companies grow sustainably. She is the fund manager at Meraki Impact, a boutique family fund, investing in venture capital funds and companies focused on ensuring sustainability of natural resources and food production, especially ventures engaging in land restoration, regenerative agriculture and agri-tech.

About SS&C Intralinks

Intralinks, an SS&C company, is a leading financial technology provider for the global dealmaking, alternative investments and capital markets communities. Our technology enables and secures the flow of information, empowering our customers to work productively and confidently in initiatives such as mergers and acquisitions, corporate lending, debt sales, capital raising and investor reporting.
