# EIF European Investment Fund

activities, application process for VCs,  
experiences in interaction of EIF

The European Investment Fund (EIF), part of the European Investment Bank Group (EIBG), is an EU body dedicated to improving access to finance for small businesses. It uses financial instruments to address financing gaps, foster sustainability, multiply resources and in doing so, improve SMEs access to finance. For the past 25 years, it is a leading player in the European Venture Capital and Private Equity market, focusing on the establishment of a sustainable ecosystem in Europe supporting innovation and entrepreneurship.

This webinar will provide you first-hand information and insights about the EIF as the largest European Venture Fund Allocator, its activities, experiences in interaction with venture capitalists and the application process for venture capitalists and funds.
