Venture Capital Success in Switzerland

Learning from the Global Leaders

Exclusive Book Launch

Venture Capital Success – Learning from the Global Leaders brings together leading Swiss venture capital investors, business angels and ecosystem leaders to share their experiences, investment philosophies and lessons learned from building one of Europe's most successful innovation ecosystems.

Hosted by AMAS and SECA, this exclusive community event marks the official launch of the book and offers a unique opportunity to engage with investors and decision-makers shaping the future of venture capital and private markets in Switzerland.

The evening includes author insights, a panel discussion and networking with members of Switzerland's venture capital and private markets community.
