Private Equity Secondaries

Current trends and opportunities

Private Equity Secondaries have become an increasingly important part of the private markets landscape, offering investors new ways to access liquidity, actively manage portfolios and capture attractive investment opportunities.

This event will provide an overview of the **current trends and opportunities** shaping the secondary market, **combining an investor and advisory perspective**. With a particular focus on LP-led secondaries and GP-led transactions as liquidity solutions, industry experts will share insights into recent market developments, transaction dynamics and key considerations when navigating secondary transactions.

Agenda:

- 11:45-12:00 **Doors open**
- 12:00-12:05 **Welcome & Opening**
Felix Signorell, Managing Director, Ardian
