Young SECA Event

Real world applications of AI

Young SECA invites you to a networking event at one of the world's largest hubs for research in artificial intelligence, where we will engage in a conversation on the topic of "Real world applications of AI" with a group of entrepreneurs, investors and thought leaders.

Agenda

- 18:15 – 19:00 Registration & Welcome
- 19:00 – 19:15 AI-enabled dealmaking with Intralinks
- 19:15 – 20:00 A couch talk with George Howard, Mauro Luzzatto and Gianmaria Sbetta on real world applications of AI moderated by Karin Estermann
- 20:00 – 22:00 Networking Apéro

About the speakers

- Karin Estermann – Creative Director and Co-Founder of Zurich-based agency Inhalt und Form. With AI now embedded into their daily creative work, she brings practical insights into how AI is transforming real-world marketing.
- Mauro Luzzatto – Machine Learning Engineer at Epidemic Sound, a Swedish music-tech unicorn valued over \$1 billion. He develops Generative AI models that help creators customize music for their content.
- George Howard – Head of DACH Advisory Sales at Intralinks, an SS&C company. Intralinks provides secure financial technology and AI-driven solutions for global dealmaking and capital markets. As a pioneer in both Virtual Data Rooms (VDRs) and intelligent deal platforms, George helps clients harness Artificial Intelligence to gain smarter insights, ensure enhanced security, and drive greater efficiency across the entire transaction lifecycle.
- Gianmaria Sbetta – AI Sales Lead at Google Cloud for Startups in DACH, a venture scout at Google Ventures, an angel investor in Pre-seed/Seed startups AI startups.

About ETH AI Center

The ETH AI Center is ETH Zurich's central hub for artificial intelligence. We bring together researchers of AI foundations, applications, and implications across all departments. We foster research excellence, industry innovation, and AI entrepreneurship to promote trustworthy, accessible, and inclusive AI systems. As an interface between science, industry, and society, we create an environment where pioneering AI solutions can emerge and thrive.

About SS&C Intralinks

Intralinks, an SS&C company, is a leading financial technology provider for the global dealmaking, alternative investments and capital markets communities. As pioneers of the virtual data room, our technology enables and secures the flow of information, empowering our customers to work more productively and with complete confidence. Intralinks facilitates strategic initiatives such as mergers and acquisitions, corporate lending, debt sales, capital raising and investor reporting. Our solutions enhance these activities by streamlining operations, reducing risk, improving client experiences, and increasing visibility. We've earned the trust and business of top Fortune 1000 companies and have executed over \$35 trillion in financial transactions on our platform.

About Young SECA

About Young SECA: The Swiss Private Equity & Corporate Finance Association (SECA) is the Swiss industry association and lobbyist for private equity, venture capital and corporate finance. Young SECA was established as an independent "chapter" in 2011 to link young entrepreneurs and young investors in Switzerland in order to strengthen the Swiss ecosystem for young entrepreneurs.
